

» Different versions of watchmaker tools kits display beech wood box. These kits offer to watchmakers different solutions for after sales service jobs like opening and closing watch case back, setting hands, bracelets adjustment tubes, pushers, bezels, ... These kits are also perfect for distributors to exhibit the HOROTEC tools during fairs or showrooms. For sales representative, it is easy to travel with these display boxes thanks to a handle (each tool is located in an adjusted room).
